cc radial fast blur plugin download Curious George: Hairy Habits? I know you have probably seen this in some of my previous posts, but I am actually working on a children's book called Curious George: Hairy Habits right now. We thought of it when we were out riding our bikes and seeing kids with long hair and we got to wondering if Curious George himself would have long hair. We are working on chapter 2, so we can not yet say for sure, but we will take a peek. Written by the Caribbean Journal's Assistant Managing Editor, James H. Thompson, this special section of the Caribbean Journal is one of its most important contributions to the scholarship of the Caribbean and the region's particular path of social, political, and economic development. This new section, launched in the November 2010 issue, features research about the Caribbean's rich cultural heritage, its people and its critical social issues. This issue will feature a two-part series of articles on "A Caribbean Continent," the third part of which explores the significance of the Caribbean's community of small nations for its future.
