Turistas Pinadas Em Lisboa

9 Feb 2010 5 min - Uploaded by Turistas Pinadas em Lisboa I am outside of Lisboa going for a walk. Just need my man back, i don't care if his friends take me. I just need him back, i can be his friend again, i didn't give up on him. We have been together for nearly 6 years now, and i love him so much, he is my best friend, i don't know what he's waiting for. There is a feeling between us that i don't understand i'm not sure if it's lust, love or what it is, but it's there, we want each other, we care for each other and we are in love but we can't have our pvt lives.. It's a great time to be a single girl. When we stop to think about all the girls we have known and the situations we were in, we realize how much fun we had with them. It's just so refreshing! .
